IN GRATEFUL APPRECIATION TO  
GARY DALY

SERVICE TO WESTERN ELECTRIC EXPLORER POST 614

*D. Gardner*

Dear Mr. Daly,

The thank you's from the students of Scott School is a tough act to follow, however, we are no less sincere when we say "Thank you so very, very much for your participation in the Mini Course Program."

Mini Courses would be non-existent if it weren't for your involvement and support, and of course your personal talent which allowed us to offer 'Introduction to Telephony' in the first place.

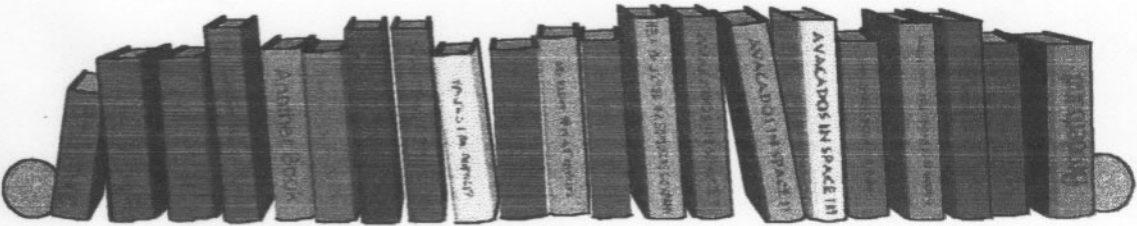

As you know from reading the students' thank you notes, they thoroughly enjoyed the opportunity to learn something new and your class gave them that chance to explore new horizons.

Again, our sincere appreciation for the effort you put into Mini Courses. We couldn't have done it without you!

Kind regards,

  
*Lynn Newkirk*      *Linda Sladkey*

Scott School Mini Course Co-Chairs

P.S. We've enclosed the students' questionnaires from your Mini Course. As you can see by the response, a good time was had by all!
